

HOLLIE MILLER

Hi, I'm Hollie! I'm in my late twenties and I live in Perthshire, Scotland, with my husband. I currently work 9-5, yet outside of the day job I squirrel away to create Just Hollie. I absolutely love to write and this blog is my passion; I adore creating content and am hoping to keep growing and growing - something which is happening slowly but surely!

THE BLOG

Just Hollie is a lifestyle blog aimed mainly at women in their twenties and thirties, living in the UK. The blog was created in 2016 and features posts about everything from food, local reviews, beauty, family and everything else a young woman comes across in life. I love to cook and share my love of food thoroughly across my platform, usually either plant based or health conscious foods - health and wellness are extremely important to me. Finally I would like to note that I'm very much a countryside based lifestyle blogger, so as much as I love venturing into the city from time to time, expect rural, home bird loveliness.

Sound good?

If you would like to work with me, I can't wait to hear from you - you can contact me on the email address below. I love to review experiences such as new eateries or events to share with my readers, or likewise if you've got a product you think we'll love, I want to see it!
